

Kleemann MOBIREX MR 130 Z EVO2 Used Mobile Impact Crusher

Folder 46 product listing record

Identification conclusion. The photographs show a Kleemann MOBIREX EVO2 crawler mobile impact crusher. Its body size and component layout most closely match the MR 130 Z EVO2. Confirm the exact model and suffix from the serial plate before the listing is published.

Product Information

Brand	Kleemann
Likely model	MOBIREX MR 130 Z EVO2 - serial plate confirmation required
Type	Rotor crusher / crawler mobile impact crusher
Year	2020 - owner-provided
Condition	Used
Mobility	Mobile, crawler track system
Location	Shanghai, China
Seller stock ID	ML-046
Price	On request

Suggested Listing Description

Used 2020 Kleemann MOBIREX EVO2 tracked mobile impact crusher available from China. The supplied actual-machine photographs show the Kleemann branding, feed hopper, prescreen and feeder area, impact crusher unit, diesel power-pack enclosure and crawler undercarriage. Visible paint wear, surface corrosion and removed exterior panels are present. Confirm the exact model, running hours, serial number, complete conveyor and panel set, current operating condition and included options before quotation. Inspection, working video, loading and export support can be arranged.
